Please encourage your 4-Her to participate in at least one of the many events offered at Club Day. Just a few examples of events offered include:

There truly is something for every 4-Her to choose from!

To learn more about the different options offered at Club Day, you can find the Rulebook at www.rivervalley.ksu.edu/4-h under "Forms & Resources" on the "Club Day" page.

During Club Days, there will be different judging contests to partake in as well. These contests may be used to determine eligibility for teams for State competitions.

There will also be a concession stand available for those 4-Hers and families participating in events throughout the day.

For Jr Leaders or Jr/Sr High School aged 4-Hers, help is always appreciated to make the day go smoothly too, so please consider helping out by signing up as a door monitor by calling your local extension office.

Please keep in mind that most pin applications have a requirement for participation at club days! It can also be a check mark on the fair livestock premium sale/project auction requirements!

We hope to see you there! We wish all of our 4-Hers the best of luck while participating at the River Valley Extension District Club Day!

KANSAS YOUTH LEADERSHIP FORUM

Twelve River Valley District 4-Hers attended Kansas Youth Leadership Forum (or KYLF) in November at Rock Springs 4-H Center. The theme this year was "Think Big".

4-Hers from across the State were able to come together to build their leadership skills through awesome workshops and more. Brandon Lee White, author, speaker and professional ballroom dancer spoke on topics including leadership, management and character. White also taught the groups ballroom dancing.

The 2016 State 4-H Youth Leadership Council was also elected during the weekend.

The 4-Hers that attended had a really good time. They enjoyed getting to know other RVD 4-Hers, plus other 4-Hers from around Kansas.

A special thanks goes to Tanya VanWey, RVED-Clay County 4-H leader, for chaperoning the group.

Consider attending KYLF in 2016! Check with the local extension office for more information on KYLF!

NATIONAL 4-H CONGRESS

River Valley District had the honor to have three 4-Hers represent Kansas at the 94th National 4-H Congress held in Atlanta, Georgia from November 27th to December 1st. Lanessa Aurand (Republic Pioneers 4-H Club), Hayley Bulk (Washington Headliners 4-H Club), and Payton Runft (Sherdahl Boosters 4-H Club), all had the opportunity to attend.

What is National 4-H Congress you may ask? It is an educational, cultural, leadership, and community service experience that is held each year to increase knowledge, resources, and skills that will help the delegates make an impact in their communities. This is an annual trip for state project KAP winners or Centennial delegates, which are selected by a random drawing of all Key Award winners.

They learned the importance of community service by doing. Lanessa was assigned to an inner city elementary school where she helped give a 45 min presentation about Georgia agriculture to a 5th grade class and spent the remaining time helping in a kindergarten classroom. Hayley went to the History Center and pulled English Ivy from along the creek garden. Payton was an aide to a kindergarten teacher at the Ivy Preparatory School for girls.

Delegates are able to attend different sessions. The three RVD delegates went to a variety of classes, from healthy habits and exercise, making good choices on the internet and social media, Zumba dance classes, introducing yourself, communication and leadership workshops.

All of the Kansas Delegates and Chaperones ready for the Gala, including the RVD 4-Hers, Lanessa, Hayley, & Payton.

They toured The World of Coke-Cola and a Historical Museum, which had exhibits over everything from the Civil War to the Olympics that were held in Atlanta, and drove by Martin Luther King Jr.'s birth home and memorial site. They tasted international food, watched amazing dancers from Puerto Rico and Hawaii, plus had some good keynote speakers, including Miss America, a 4-H alumnus.

Lanessa, Payton, and Hayley had a great trip, which allowed them to meet some awesome people and have great experiences! They would all encourage anyone that has the opportunity to attend National 4-H Congress.

WELCOME NOVÝ MUNDEN

The River Valley District is excited to announce the addition of a new 4-H Club. Nový Munden, based in Munden in Republic County, was established to begin the 2015-2016 4-H Year.

Munden had previously housed a 4-H club that had to disband due to decreased 4-H enrollment. With more youth in the area, 4-Hers, parents, and families worked to spark interest and recruit to create this new club. With Czech heritage in the area, the 4-Hers voted and choose the name Nový Munden, as nový means new in the Czech language.

Currently, Nový Munden has seventeen youth enrolled in 4-H, including returning 4-Hers that worked to charter this new club and first time 4-Hers. The 4-Hers and club leaders of Nový Munden were presented with their club charter at the Achievement Day held in Belleville on Sunday, November 8th.

A huge thank you goes out to all of those 4-Hers and parents that worked hard to start Nový Munden! Congratulations and the River Valley District wishes you all the success in your first and future 4-H years!

HOME TAGGING PROHIBITED

Home tagging will not be allowed this year for any livestock shown at any of the four county fairs. Tagging dates have been released and are listed on this page. Please remember that exhibitors are able to have their livestock tagged in any of the four counties within the River Valley District.

Swine will not be weighed in this year but will need to be brought to one of the weigh-ins for tagging purposes only.

If you are planning on attending at state show, such as Kansas Junior Livestock Show or Kansas State Fair, with Commercial Breeding animals, you must bring these animals to one of the weigh-ins. If you are NOT planning on taking your breeding stock on to a state show, then an EID tag is NOT required so you do not have to bring them to weigh-in.

For livestock that will not be shown at a county fair but will be shown at a state show, you may still purchase tags at any of the four extension offices to tag at home. This will be tracked so if you tag an animal at home, you will not be able to show it at one of the county fairs.

Below are the only check-in times for market beef and state nominated commercial breeding animals. If they are NOT tagged at one of these times, they will NOT BE ELIGIBLE to show at the County Fair.

If you are NOT planning on taking your breeding stock on to a state show, then an EID tag is NOT required and you do not have to bring them to weigh-in.
