4-H Camp Counselors Needed

Pioneer Trails 4-H Camp would not be possible without the assistance of our camp counselors!

If you will be 16 years of age as of June 22nd, enjoy working with youth, and are willing to volunteer your time and talents, we are looking for you to be a camp counselor!

4-H'ers will create memories that last a lifetime at Pioneer Trails 4-H Camp! The success of a youth's camping experience really depends on the enthusiasm and responsibility of their camp counselor!

Counselors will head down to Rock Springs on Friday, June 22nd for Counselor Training. This time helps prepare our counselors with tools and techniques to create the best environment for all of our campers.

Counselors will be responsible for the campers in their camp group through the entire duration of camp, which is Saturday, June 23rd, through Tuesday, June 26th.

Applications are available at your local River Valley Extension District office or online at www.rivervalley.ksu.edu/4-h under "Forms & Resources" and "4-H Camp".

Fair Entry Deadlines

All projects that a 4-H member wants to exhibit at their local county fair MUST be pre-entered on their fair entry form! Entry forms will be sent to every 4-H member in the River Valley District with their enrolled project list. A hardcopy of the fairbook will be available for each 4-H family or you may find it online at www.rivervalley.k-state.edu/4-h/fair.html.

Entry forms are due to your local extension office on or before the date indicated below for your local fair:

RVD-Washington	Monday, June 11 th	RVD-Clay Center	Tuesday, June 12 th
RVD-Concordia	Friday, June 18 th	RVD-Belleville	Monday, July 2 nd

While there aren't penalties if you don't bring something you pre-enter, please try to minimize the number of entries scratched by carefully considering what projects you will be able to complete. We use the number of pre-entries to schedule judging times so excessive scratches cause our schedules to be off!

However, there are penalties for late pre-entries. Late pre-entry is defined as any pre-entry received after the local extension office closes on the pre-entry deadline up until the day before the designated judging of that area. 4-H exhibitors that are late for pre-entry will be dropped one ribbon placing so therefore are not eligible for any Champion consideration.

If your video entry is selected, the state contest is held on September 15 at the Kansas State Fair. Team members will use their detective skills to solve the

health mystery in the puzzle room, share about their perspectives on health during a team presentation and review other team videos.

Learn more about how to create and submit team videos by May 15 at <http://www.kansas4-h.org/events-activities/contests/fcs-judging/index.html>.

2 Tagging/Weigh-In Events Remain

Two tagging/weigh-in events remain for Market Sheep, Goat, and Swine for the county fairs. Commercial breeding Sheep, Goat, and Swine that will be nominated for State Shows must also be tagged at one of these times. Exhibitors are able to weigh-in/tag in any county within the River Valley District. If animals are NOT tagged at one of these times, they will NOT BE ELIGIBLE to show at the County Fair. No home tagging is allowed. A district extension agent must be present at the time of tagging.

Please remember that Commercial Breeding Ewes, Gilts and Does need an EID tag for state livestock show nominations, i.e. Kansas Junior Livestock Show or Kansas State Fair! Please bring these breeding animals to market weigh-in so we can tag them at this time. If you are not planning on taking your breeding stock on to a state show, then an EID tag is not required and you do not have to bring them to weigh-in.

Price is \$3 per EID Sheep, Goat, and Swine tag. Please bring small bills or a check payable to River Valley Extension District.

Youth for the Quality Care of Animals (YQCA)

Youth for the Quality Care of Animals (YQCA) is a new, national, multi-species livestock quality assurance program. This annual educational and certification program focuses on food safety, animal well-being, and character awareness for youth producing and/or showing livestock. The species included in the training are swine, beef cattle, dairy cattle, sheep, goats, market rabbits, and poultry. Extension specialists, the National Pork Board, national show organizers, and animal industry representatives were involved in designing the program with the intent to provide a national, standardized livestock quality assurance program applicable to multiple species. The curriculum is designed to provide different age-appropriate modules annually, so youth will expand their knowledge by covering new topics every year.

There are two options by which youth may obtain their YQCA certification; they may attend a face-to-face training with a certified instructor OR they may complete the age-appropriate online certification course.

Families must register for a face-to-face training, or complete the online certification, by using their 4HOnline credentials to login at <https://yqca.learn-grow.io>. Instructions to assist with this process have been e-mailed or may be found on our website at <http://www.rivervalley.k-state.edu/4-h/fair.html>.

WHO: ALL 4-H members that are SELLING livestock in the county fair premium sale MUST complete YQCA. For those youth who previously tested through the Youth PQA Plus program (LQA) and earned a multi-year certification, those certifications will be honored until they expire. Please see our website at <http://www.rivervalley.k-state.edu/4-h/fair.html> for youth that are currently certified and when certifications expire.

NOTE – YQCA does not allow 7 year old youth to sign up for trainings or complete the training online. 7 year old youth MUST attend a face-to-face training. Please call Monica at 785-527-5084 for 7 year old members to sign up for a training.

COST: There is a \$3/child fee for the face-to-face training, while the online certification course is \$12/child. This is paid online to YQCA. This is a mandatory fee and not collected by us.

Below are the times a face-to-face training will be offered in the River Valley District. You MUST register online for one of these times PRIOR to the training. If these times do not work for you, you are always welcome to complete the training through the online module or check with a nearby county/district if you are able to attend their training.
