To Make the Best Better
Green is nature’s most common color, it represents life, springtime, and youth.

White symbolizes purity.

The green four-leaf clover has a white H on each leaf to represent the four H’s: Head, Heart, Hands, and Health.

Staying Healthy
Most things in life cost money. It’s important to consider how to **SPEND**, **SAVE**, and **SHARE** your money.

**SPEND** = Buy  
**SAVE** = Keep  
**SHARE** = Help Others

Discuss how you **SPEND**, **SAVE**, and **SHARE** your money.

Activity 3: Growing Flowers

This is Mr. Bee. Mr. Bee is hungry. In the middle of all flowers is yummy yellow nectar. This is Mr. Bee’s FAVORITE food.

Mr. Bee is a messy eater…

Look how dirty he is when he is done. The brown spots represent pollen.

Mr. Bee is STILL hungry. So, he finds a new flower.

Mr. Bee was so dirty from the pink flower that he got the blue flower all dirty too.

When Mr. Bee mixes his food from the pink flower to the blue flower, he is spreading pollen. When he does this, it helps the flowers to grow seeds and make more plants. How cool!

Thanks Mr. Bee!
**Growing Flowers Activity**

**Step 1:** Pour M&M’s in the bottom of a bowl.

**Step 2:** Pour Cheetos on top of the M&M’s.

**Step 3:** Try and grab the M&M’s with your hand.

**Step 4:** What does your hand look like? Is it dirty? Just like Mr. Bee?

**Step 5:** Let’s grow flowers. Pollenate the flower above with your orange fingers.
Activity 4: Plant a Flower

Step 1: Get a paper cup.

Step 2: Fill the cup ¾ full of soil.

Step 3: Poke a small shallow hole in the middle of the dirt. Place one seed in the hole and then lightly cover it up.

**Step 5:** When you are at school or with family/friends, can you tell how someone feels?

Activity 5: Staying Healthy

It’s important for us to stay physically active every day. It’s time to get our bodies moving. Sing and dance along with us!

Let’s Move!

Wave your arms, Shake a leg, Nod your head,

And touch your chest to feel your heart.

Stomp your feet, Snap your fingers,

Rub your belly, And wiggle your toes,

Now stand very tall and touch your nose.
We want to eat a variety of foods at each meal and snack. Let’s think about different foods that fit in each of the five food groups. **Draw and color your favorite food in each food group.**

Club Leaders will be sent a fun snack activity to share with each of you.
Write your four favorite things about your Cloverbud year.
