We hope you enjoyed taking part in the County Fashion Revue. The evaluation and comments made by the judge are intended to provide suggestions for future improvement as well as to recognize work well done. We hope that you will find these comments helpful for your next clothing project. The experienced club member knows that judges may vary in their opinions and that it is the 4H'ers own self-evaluation that is most important. If you have enjoyed making and wearing the outfit, if you have learned new skills and work has improved since last year, then your project has been a success!
