

2018-2019 River Valley District 4-H Shooting Sports

River Valley District 4-H offers five Shooting Sports disciplines – **BB Gun, Air Rifle, Archery, Small Bore Rifle (22), and Shot Gun**. We host all of the Shooting Sports Safety Meetings, Practice Shoots, and Fair Shoots at the Cloud County Fairgrounds (East of Concordia – Just south of the intersection of Industrial Road and Kansas Highway 9). Please contact your local River Valley District Extension Office with any questions!

Eligibility & Requirements

Per National and State 4-H bylaws, enrolled 4-H members between the 4-H ages of 8 to 18 (before January 1st, 2019) are eligible to participate in Shooting Sports. Youth must be enrolled in the project on 4-HOnline and attend a safety meeting. Our Shooting Sports instructors may determine if youth are developmentally able to participate in each discipline.

A parent/guardian **MUST** attend the safety meeting and accompany their youth to each discipline at each shoot.

Safety Meetings

Our coordinator and instructors host two safety meetings each year. All participating 4-H'ers **MUST** attend one of the two safety meetings before they can participate in Shooting Sports. A parent/guardian **MUST** accompany youth to the Safety Meeting. Completing paperwork for Shooting Sports will occur after the safety meeting. Youth may only shoot following the completion of their paperwork and fees paid.

Safety Parameters

For each discipline, instructors may have safety parameters set up that only the 4-H'ers may enter upon direction from the instructor(s). Parent/guardian(s) must also obey and observe these parameters. It is important to follow the instructor's directions to keep everyone safe.

Registration & Sign-In

Each day Shooting Sports events are held, youth **MUST** check-in with our volunteers at the Commercial Building before going to any discipline. When you check in, you will receive a name tag. You must have this name tag on before any instructor will allow you to participate. Once you have completed your disciplines for the day, you **MUST** check out at the Commercial Building. **Failing to check in and/or out will result in no credit for that shoot.**

At each discipline, instructors will have a sign-in sheet. After practicing that discipline, instructors will have youth sign-in at each practice shoot. **Failing to sign in at each discipline will result in no credit for that shoot.**

To help alleviate the waiting times at the disciplines, we have implemented a time schedule. These times are for Practice and Fair Shoot dates only. Safety Meetings will begin promptly at 1:00 p.m. with shooting following immediately for all youth.

- ✿ RVD-Clay Center & RVD-Concordia 2:00 p.m.
- ✿ RVD-Belleville & RVD-Washington 3:00 p.m.

The **last time for check-in will be 3:30 p.m.** Youth will **NOT** be allowed to participate if they check in after this time.

Fair Shoot

To participate in the Fair Shoot, each 4-H'er must attend a Safety Meeting and complete **one** regular practice shoot in each discipline prior to the Fair Shoot. If this requirement is not met, youth may not participate in the Fair Shoot.

Once they have completed their requirements, youth may designate either of the following two dates as their Fair Shoot. However, once youth have designated a Fair Shoot day, they will not be able to change that date. Youth are not able to complete a practice shoot and the Fair Shoot on the same day.

- ✿ Sunday, May 5th, 2019 Fair Shoot
- ✿ Sunday, June 9th, 2019 Fair Shoot

County Champions

Results from the Fair Shoot will be displayed at your local county fair. In order to be eligible to be a county champion, 4-H'ers must participate in the following throughout the year and at the Fair Shoot:

- ✿ Seniors (14-18 4-H age) must do four out of five disciplines.
- ✿ Juniors (8-13 4-H age) must do three out of five disciplines.

If a 4-H'er chooses to do all disciplines at the Fair Shoot, only their top scores will be used. The lowest discipline score(s) will be dropped. (Example: A 10-year-old 4-H'er competes in all five disciplines. She does best at Archery, Shot Gun, and BB Gun. These three scores are used to calculate her overall score. Her two lowest scores are not used to calculate her overall score for County Champion consideration.)

Weather

If we have to cancel a shoot due to weather, we will put an announcement on area radio stations, send an e-mail to all 4-H families with youth enrolled in Shooting Sports, and post it on the River Valley 4-H Facebook page. If you hear of a cancellation, please help us by contacting fellow 4-H members with the news!

Fees

Shooting Sports fees help cover the expenses of materials, instructor training, etc. The total cost due per 4-H member will depend on which disciplines the 4-H'er is participating in. If they want to participate in all disciplines, the total cost due is \$45. All fees **MUST** be paid prior to youth participating in their first shoot.

- ✿ \$10 for combination of Archery, BB, and Air Rifle
- ✿ \$25 for Shotgun
- ✿ \$10 for Small Bore Rifle
