

# STAFF SPOTLIGHT

DISTRICT AGENT  
NUTRITION, FOOD SAFETY, & HEALTH

KAITLIN MOORE

CONCORDIA OFFICE

## **Kaitlin's Biography**

"Kaitlin spent most of her childhood in north central Kansas. She studied antibiotic resistance in college while she pursued a degree in Biology.

Kaitlin is the oldest of four. She recently adopted a 13-year-old cat named Abby. Kaitlin enjoys reading, keeping up on current issues, perusing antique shops, checking out regional attractions and restaurants, and attending live music events."

## **What is one of your favorite things about your job and why?**

"One of my favorite things about my job is my scope of practice. There are numerous topics under the very large umbrella of Nutrition, Food Safety & Health and my job allows me time to learn about them and the opportunity to then offer what I learned to the community. I am not restricted to a single topic or task and I really appreciate that."

## **What is the #1 thing on your bucket list?**

"I cannot say if it is the number one thing, but it is a thing: work a Halloween attraction."

## **What is your favorite quote?**

"A child who is not embraced by the village will burn it down to feel its warmth"  
-African Proverb

## **What do you dislike that everyone else seems to like?**

"Oreo cookies"
