Jordan's Biography

“In Jordan’s free time, she enjoys spending time with her husband, family, and friends. She grew up in 4-H and enjoyed participating in several projects such as swine, horticulture, home environment, and clothing and textiles. She also enjoys playing sports, board games, and cross-stitching.”

What is the #1 thing on your bucket list?

“I don't really have a bucket list, but I have a degree in history and I would love to visit the Anne Frank House.”

If you could go back in time, what year would you travel to and why?

“I would travel back to the 1940s and 1950s so I could interact with my grandparents as young adults.”

What is your spirit animal and why?

“My spirit animal is whichever animal is the clumsiest, so maybe a baby giraffe.”

Name three unique things someone might find if they walked into your house.

“A blanket ladder my husband made me for Christmas and a blanket my grandma made me. (I can only think of two....lol)!”
