Review your 2021 Medicare Part D Plans

Open Enrollment for 2021 Medicare Part D Prescription Drug Plans is October 15—December 7. This is an annual opportunity for Medicare beneficiaries to compare Part D plans for drug coverage and pricing.

Medicare beneficiaries can review their options two ways. During Open Enrollment, you can go online to www.medicare.gov, log into your account, enter your prescriptions, compare the drug plans, and select the best option.

The other option is to have someone assist you with reviewing your options. Senior Health Insurance Counseling for Kansas (SHICK) Counselors will be available to meet with Medicare Beneficiaries to review their prescription drug coverage during Open Enrollment (October 15 – December 7). There is no cost to meet with a SHICK Counselor to review your Part D options.

Contact your local River Valley Extension District Office to schedule an appointment for Open Enrollment. Our offices are in Belleville (785-527-5084), Clay Center (785-632-5335), Concordia (785-243-8185), and Washington (785-325-2121).
