How to Control Bagworms

Have you ever noticed your windbreak covered in bagworms in the late summer months? If you know you have had bagworms in the past, now is the time of year to control them. RVED Horticulture Agent Kelsey Hatesohl will be talking about their life cycle and the best methods of control.

This program will be on Tuesday, May 31st at 7:00 pm, in the basement meeting room of FNB Washington (101 C Street, Washington, KS). Participants are asked to RSVP to the Washington Extension Office at 785-325-2121 or by emailing Kelsey Hatesohl at khatesohl@ksu.edu.
