Join 4-H

The new 4-H year is quickly approaching. On October 1st you can start to enroll in the 2021-2022 4-H year. Now is the best time to invite your friends to join 4-H. Go to <https://v2.4honline.com> to enroll.

4-H offers a hands-on, fun, learning experience. This organization offers 47 project areas for youth to grow as an individual in areas such as; agriculture, consumer science, technology and more. 4-H offers opportunities for youth to gather, become leaders, learn to public speak, and find their passion.

Any youth seven to eighteen years old, as of January 1st, 2022, can enroll as a 4-H'er. We cannot wait to see what our 4-H'ers will accomplish this year. It's a great year to grow as an individual, empower those around you, serve your community, and be a part of the biggest youth development organization.

Any youth five and six years old, as of January 1st, 2022, can enroll as a Cloverbud in 4-H. This free-educational opportunity is a great way for youth to explore 4-H while starting to develop key life skills.

For more information, please visit our website at <https://www.rivervalley.k-state.edu/4-h/> or contact your local 4-H Program Manager. In Clay County call Rachel Footit at 785-632-5335 or email rachelvalleyacres@ksu.edu, Cloud County call Brianna Hake at 785-243-8185 or email bmhake@kse.edu, Republic County call Diane Kussman at 785-527-5084 or email dkussman@ksu.edu, and Washington County call Macy Flory at 785-325-2121 or email macy22@ksu.edu.
