4-H Project Leader Trainings

Do you have a skill to share and enjoy working with youth? Become a 4-H Project Leader. 4-H volunteers make a difference in the lives of youth and in their communities. Make a difference today.

4-H is a youth organization, in which youth learn by doing. They explore, learn, and develop skills in a variety of content areas, which are referred to as projects in 4-H. Project Leaders are volunteers who work directly with youth and guide this learning process through a variety of experiences.

River Valley District 4-H will be hosting two Project Leader Trainings on Saturday, February 16th, 2019 at the Washington County High School (115 N. D Street, Washington) in conjunction with our District 4-H Club Day. The sessions will be held at 10:00 a.m. and 1:00 p.m. Whether you are new to 4-H, or if you are a seasoned volunteer, join us at a session to learn about resources, tools, and curriculum available to 4-H volunteers.

4-H Project Leaders are essential to the 4-H experience. Become a 4-H Project Leader today. There is no cost to attend. Please RSVP online at <https://tinyurl.com/RVDProjectLeaderTraining> or contact Monica by calling 785-527-5084 or emailing mthayer@ksu.edu by Monday, February 11th.
