

News Release for Immediate Use or Next Issue
Monica Thayer, Extension Agent
River Valley Extension District
August 5, 2020

Extension Offices Open to Public, Masks Required

The four Extension Offices in the River Valley District are open to the public. The River Valley Extension District does have a policy requiring all employees and visitors to wear face masks while on premises. If you do not have a face covering, one will be provided for you.

If you are unable to wear a face covering over your nose and mouth, please call your local River Valley Extension District Office so we may find an alternative way to assist you. Our office phone numbers are:

- Belleville 785-527-5084
- Clay Center 785-632-5335
- Concordia 785-243-8185
- Washington 785-325-2121

We look forward to providing you with research and evidence-based answers to your questions and needs in a safe manner for our communities and staff members.
