### Kansas Sunflower Production Meetings

The High Plains Sunflower Association, a committee of the National Sunflower Association, is planning to host four sunflower production meetings. Dates, times (Central Time), and locations are: Tuesday, February 25, 9:00 am at the First Christian Church at 321 N Mill Street in Beloit, Kansas. Tuesday, February 25, 3:00 pm at K-State Polytechnic, College Center Conference Room 103, 2310 Centennial Rd in Salina, Kansas. Wednesday, February 26, 9:00 am at the Argonia Friends Church Fellowship Hall at 202 N Pine in Argonia, Kansas. Thursday, February 27, 9:00 am at the Grant County Civic Center, 1000 W Patterson in Ulysses, Kansas.

These sunflower production programs will feature speakers that address the latest sunflower research results including genetics, fertilizer strategies, planting dates, planting populations, weed, insect and disease management. Sunflower economics and budgets will also be included. Last, industry reps will be discussing marketing opportunities. These programs are available without registration cost. Please reserve your spot by contacting the local K-State Extension Office or register online. For Beloit, call 785-282-6823 or register at [www.postrock.ksu.edu](http://www.postrock.ksu.edu). For Salina, call 785-309-5850 or register at [www.centrankansas.k-state.edu](http://www.centrankansas.k-state.edu). For Argonia, call 620-842-5445 or register at [www.harper.ksu.edu](http://www.harper.ksu.edu). For Ulysses, call 620-356-1721 or register at [www.grant.ksu.edu](http://www.grant.ksu.edu).
