Tyler Husa, Extension Agent: Crop Production  
River Valley Extension District  
03/08/2019

### **2019 Spring Preplant Workshop**

The River Valley Extension District will be hosting a 2019 Spring Preplant Workshop on Tuesday, March 19<sup>th</sup> at the Clay County 4-H Building (205 S 12<sup>th</sup> Street, Clay Center) from 10:30 a.m.–2:00 p.m.

Topics to be discussed include: Soil Fertility with Dr. Dorivar Ruiz Diaz, General Agronomy with Dr. Stewart Duncan, and Dr. Dallas Peterson will be giving a Weed and Herbicide Update. A catered lunch will be provided thanks to various sponsors in the area. RSVP's are appreciated to ensure we have an accurate meal count.

For questions and/or to RSVP, contact Crop Production Agent, Tyler Husa, by phone at (785) 243-8185, by email at [thusa@k-state.edu](mailto:thusa@k-state.edu), or online at <https://www.rivervalley.k-state.edu/>.
