

### THAYER JOINS RVED STAFF AS 4-H AGENT

I joined the River Valley District on Monday, April 13<sup>th</sup> as the new 4-H youth development agent and am very excited for this opportunity. I am looking forward to working with the youth, families, volunteers, and community members throughout our four counties.

I was raised on a farm outside of Mound City, Kansas, where I was a member of 4-H during my childhood and FFA during high school. After graduating high school, I was the intern at my local extension office in Linn County for two summers. I assisted the two county extension agents with almost everything 4-H and absolutely loved it. These two extension internships sparked my desire to become a 4-H agent. After attending Pittsburg State University for three semesters, I transferred to Kansas State University. There, I received my undergraduate degree in Family Studies and Human Services with the goal of becoming a 4-H youth development agent.

However, while attending college, I began working in the property management industry in Manhattan, Kansas and continued in this field for almost four years after graduation in Wichita, Kansas and Tulsa, Oklahoma. I have held many different positions while working in property management, including leasing agent, data entry, property manager, and internal auditor. While not directly related to my responsibilities as an extension agent, the property management industry provided me with many beneficial skills, including teamwork, time management, budget management, and communication skills. I feel like my previous experience as a 4-H member, a summer intern, and a professional will all be beneficial to me as the River Valley 4-H agent.

Moving to the River Valley District was a great opportunity for more than one reason. While becoming a 4-H agent is my dream job, it was also a chance to move home for my husband, Jordan, as he was raised farming in Republic, Kansas. After living in larger cities, we had decided that we wanted to be back in a rural area. With accepting this position, I was able to obtain my career goal, Jordan returned to working on the farm, and now, we are near our family.

With the summer quickly approaching, I know that I will be given ample opportunity to meet people with so many great events and programs coming up, such as the county fairs, 4-H Camp, and Junior Leader trip. However, I would like to invite our 4-Hers, their families, and our community members to feel free to contact me by stopping by the Washington office, calling me, or e-mailing me. I am excited to serve our district and look forward to working with our community members and youth.

## FOOD JUDGES TRAINING

Do you love to bake? Do you enjoy kids and the county fair? Would you like to make a little extra money in the summer? If you answered yes to any of these questions, you should consider becoming a food judge. It's not hard and you probably know more than you think you do. The River Valley District is hosting a foods judges training and you may be interested in attending.

Or maybe you're a 4-Her or a 4-H parent that has always wondered what exactly judges are looking for. If that is the case, a foods judges training might be just what you need also!

The judges training will be held on Thursday, May 28<sup>th</sup> in Clay Center at the 4-H Conference Center at the Clay County Fairgrounds. The evening will begin at 5:30 with a light supper and then move into the training. The training will be conducted by Karen Blakeslee who runs the Rapid Response Center at Kansas State University. She also judges every year at the state fair. Karen will show you what to look for and how to look for food safety issues.

Participants are asked to bring a baked item that will be used to demonstrate proper judging techniques. Cost for the training is \$5.00 per participant to cover the cost of supper and materials. We are asking participants to pre-register so that we have enough food for supper and a variety of baked goods to be judged. You can pre-register by calling the Belleville Office at 527-5084 or e-mailing [gaurand@ksu.edu](mailto:gaurand@ksu.edu).

## BABYSITTING 101

Youth ages 12 and older are invited to attend one of the babysitting clinics that RVD is sponsoring this summer.

"Babysitting 101" will be offered on Friday, May 29th at Clay Center in the RVD Extension office meeting room, Thursday, June 4th at Belleville's Astra Bank, and on Wednesday, June 10th at Washington's Colonial Acres meeting room. All classes will be from 9am to noon.

Topics we will cover include safety, children's ages & stages, activities, snacks, basic first aid, etc.

Pre-registration is requested by calling one of RVD Extension offices at least one week prior to the scheduled training. Youth younger than 12 may attend at the discretion of the parents.

## KANSAS 4-H HORTICULTURE JUDGING CONTEST

The Kansas 4-H Horticulture Judging Contest is scheduled for Saturday, August 22nd on the campus of Kansas State University. The River Valley District is eligible to send four teams consisting of four persons each in both the senior and intermediate divisions. Seniors must be 14 through 18 and Intermediates must be 9-13 before January 1 of 2015.

To be eligible to compete for the River Valley District, the 4-H members must have judged at a RVED District Horticulture judging contest and must attend at least one horticulture judging workout. The District Contest was held at the RVED 4-H Day. If you were unable to participate in this contest, contact John Forshee and we will work to find you a qualifying event.

Study materials for the contests are located on the Kansas 4-H website: <http://www.kansas4-h.org/p.aspx?tabid=442>. On this site you will find the following:

- 2015-2016 Written Exam Materials
- Horticulture ID Scorecard (plant list for ID section)
- Plant Materials Study Site-- This site contains photos of many of the plants on the ID list.
- Link to "Kansas Garden Guide"
- Kansas 4-H Participation Form

The plant materials study site is new and has been put together specifically for the Kansas 4-H Horticulture Judging contest. When you go to the site, you see the entire identification list that we use for the horticulture contest. The list is alphabetical by common name and also has the scientific name. The common name is a link that you can click on for more photos and information on the plant. It is a great site for anyone in the horticulture project.

Those youth that are eligible will receive information when the summer workouts are scheduled. If you have any questions, contact John Forshee in the Clay Center Office.

## PHOTO FUN DAY

Plan to attend Photo Fun Day on Friday, June 5th, 2015 at the Cloud County Courthouse Meeting Room. The day begins at 9:30am with a session on Photography Tips and Tricks by local photographer, Rick Radcliffe. At 10:30am, we will break to take photos around town. At noon, attendees will take their photos to Walmart to be developed and have lunch on their own. At 1:30pm, attendees will pick up their photos and will meet back at the courthouse at 2pm to critique the photos.

The main focus of the day will be on helping beginning and intermediate photography members, but all River Valley District 4-Hers enrolled in the Photography Project are welcome to attend.

RSVP to RVD - Concordia office by June 1st at 785-243-8185 or you may e-mail Denise at [dswenson@ksu.edu](mailto:dswenson@ksu.edu).

## 4-H FOODS CLINIC

Have you not been happy with your 4-H foods in the past? Have you wondered what the judges look at? Maybe, you're not really sure what makes a good fair food item or you are new to the foods project and just really aren't sure about anything.

There will be four 4-H foods clinics to help answer all of your questions and provide you with information for having a successful year in the foods project. We will also have a foods judge at the training, so if you want to bring a food item or two for her to look at for you, we would encourage you to do that.

The food clinics will be held in the following locations:

1. **Tuesday, May 19<sup>th</sup> at 7:00 p.m. in the Courthouse meeting room at the Cloud County Courthouse**
2. **Tuesday, June 9<sup>th</sup> at 9:30 a.m. at the First National Bank meeting room in Washington**
3. **Tuesday, June 9<sup>th</sup> at 1:00 p.m. at St. Paul's Episcopal Church in Clay Center**
4. **Tuesday, June 23<sup>rd</sup> at 2:00 p.m. at the 4-H building in Belleville**

You are welcome to attend at any of the locations. If you could pre-register so that we have enough materials, that would be great but it is not mandatory for attendance. You can pre-register by calling the Belleville office at 785-527-5084 or emailing Kim at [kkolman@ksu.edu](mailto:kkolman@ksu.edu).

## PIONEER TRAILS 4-H CAMP

The Pioneer Trails 4-H Camp group will be June 12<sup>th</sup> to June 15<sup>th</sup> at Rock Springs. However, the registration deadline is quickly approaching. **The registration form and payment is due to your local office by Friday, May 15<sup>th</sup>.** Check with your local office to see if there are any county scholarships to help with the cost.

If you are too old to attend camp, but loved 4-H camp and like working with younger 4-Hers, then maybe being a camp counselor is for you. **Counselor applications are also due to your local office by May 15<sup>th</sup>.** We like counselors to be 16, but will consider responsible 15 year olds. The registration form and application can be found on the River Valley District website. This year, our camp group will welcome the Meadowlark District, Doniphan County, and Coffey County, so there will be lots of opportunities to make new friends. Come and join in the fun!

## RIVER VALLEY DISTRICT DOG SHOW

River Valley 4-Hers in the Dog Project will show together to earn their county fair prizes on **Saturday, July 11th at the Cloud County Fairgrounds.** Registration will begin at 8am and the show will begin at 9am.

This is the second year for the joint dog show due to low numbers of dog project entries at each county fair.

Each class will show their dogs together and when the judge distributes prizes, the 4-Hers will return to the ring by county. Ribbons awarded will be the 4-Her's county fair ribbons.

## ENTOMOLOGY & GEOLOGY JUDGING

Due to low project enrollment, any River Valley District fair project under Entomology or Geology is due to your local extension office on **Monday, July 6th by 4:30pm.** The fair judging for these projects will be conducted on **Friday, July 10th** at the Republic County Extension Office in the Courthouse. Time is to be determined.

Youth will have the option to either be physically present during the judging or to be on a conference call with the judge. If one chooses to do the conference call, it is highly suggested that a picture of your project is taken for easier communication with the judge.

4-Hers will receive their county fair ribbon when the project is displayed at the county fair. If you have any questions regarding this judging, please contact Monica at (785) 325-2121 or [mthayer@ksu.edu](mailto:mthayer@ksu.edu).

Due to high participation in Shooting Sports, we are asking that all 4-Hers contact your local extension office to register for the specific date that you will attend.

Youth may use May 31st as a practice shoot if they are able to attend both weekends. However, you must designate one as the Fair Shoot, which will be scored.
