There is one practice shoot left for the year and two opportunities to participate in the Fair Shoot! All Shooting Sports shoots are held at the Cloud County Fairgrounds.

**Sunday, April 30<sup>th</sup>** – Youth may use this as their third and final practice shoot. If a youth has attended three practice shoots prior to this date, a 4-H'er can designate this date as their Fair Shoot.

Thank you to all the volunteers and instructors who have worked so hard and given their time to make this project a success, again, this year!

## ***Two Opportunities Remain for Sheep/Goat Weigh-Ins & Swine Tagging***

Below are the only remaining two tagging dates for market sheep, goat, and swine and state nominated commercial breeding sheep, goat, and swine. If animals were NOT tagged at one of the four district taggings, they will NOT BE ELIGIBLE to show at the County Fair.

Please remember that Commercial Breeding Ewes, Gilts, and Does need an EID tag for state livestock show nomination! Please bring those breeding animals to market weigh in, so we can tag them at this time. If you are NOT planning on taking your breeding stock on to a state show, then an EID tag is NOT required and you do not have to bring them to weigh in.

Reminder that there will be no home tagging, even if only attending a state nominated livestock show. A district extension agent must be present at the time of tagging.

\$3 per EID Sheep, Goat, and Swine tag. Please bring small bills or a check payable to River Valley Extension District.

## ***Livestock Home Tagging is NOT Allowed***

Home tagging of livestock will NOT be allowed this year for Sheep, Swine, Meat Goats, Beef, or Commercial Breeding livestock.

Exhibitors may weigh-in and/or tag at any of the four counties within the River Valley District.

Swine will not be weighed in this year. However, swine will need to be brought to weigh in for tagging purposes.

Please bring Commercial Breeding animals to weigh in if you are planning on attending a state show, i.e. Kansas

Junior Livestock Show or Kansas State Fair. If you are NOT planning on taking your breeding stock on to a state show, then an EID tag is NOT required.

Again, there will be no home tagging, even if only attending a state nominated livestock show. A district extension agent must be present at the time of tagging. If you have ownership of your state nominated animals by weigh in time, then please bring those to weigh in. If not, a later time must be set up so the agent can tag the animal.

## ***Fair Books***

By the time you are reading this 4-H newsletter, the four fair books in the River Valley District are in the process of being printed! You can find the online version at [www.rivervalley.ksu.edu/4-h](http://www.rivervalley.ksu.edu/4-h) under "Forms & Resources" and "Fair" until hard copies are available.

It is so important to take the time to READ through all the rules and regulations that apply to the different divisions that the 4-H'ers in your family will be participating in! Each year, we update our fair books to improve the experience for our 4-H'ers so there may be changes!

Remember, without change, the world would not have butterflies! Change can sometimes be hard but it is also inevitable! If you have any questions on 4-H rules, divisions, or classes, please contact Monica at 785-527-5084.

## ***Fair Ribbon Placings***

All exhibits at the fair will receive a placing and ribbon unless it is disqualified by the judge for any reason. Judge's decision is final. Exhibits are judged in comparison with an ideal standards and are not compared to another exhibit.

- **Purple**—Outstanding in all standards
- **Blue**—Exceeds the minimum standard but may have minor flaws where improvements can be made
- **Red**—Meets all minimum standards but may have visible signs of needed improvements
- **White**—fails to meet minimum standards

Good luck to all of our 4-H'ers that will be participating at their respective county fair this summer! We are excited to see all of the projects that our 4-H'ers have been working on this year!

You may find this record under the Dog Project on our website at: [www.rivervalley.ksu.edu/4-h](http://www.rivervalley.ksu.edu/4-h) under "Project Information".

This will be the 4th year for the RVD Fair Dog Show due to lower enrollment in the dog project. Our district show has worked well as 4-H'ers from across the district show their dogs together in the classes, but the judge will distribute specific county ribbons and prizes to the 4-H'er when each county is called back into the show ring. Pictures will be taken of each 4-H'er to display at their county fair.

All are welcome to attend and support our youth in the district. Those interested in the dog project are especially encouraged to come watch and learn!

You'll write these in a 'journal' which will be sent to Hutchinson by August 15.

In return, you'll receive a Kansas State Fair 'fun pack' and be in a drawing for a special prize! To sign up, contact your local RVD Extension office. We will then send you more specific details for your 'journal' entries.
