#### Jr. Leader Trip is Back

We are back on schedule for a Jr. Leader Trip in August 2022. Due to COVID, we were unable to have our 2021 Jr. Leader Trip. We are excited to have the planning under way and hopeful to have a safe 2022 trip. All high school aged 4-H'ers enrolled in the Leadership project are eligible to sign-up. Please watch your emails for more information.

#### Introducing 5H

River Valley 4-H is excited to announce a new partnership with Meadowlark Hospice. Our two organizations are developing a new program called 5H which stands for Head, Heart, Hands, Health, and Hospice. Our mission is to provide indirect monthly community service to support Meadowlark Hospice staff, adult volunteers, and patients. This provides a great opportunity to educate our 4-H youth about Hospice care. 5H service will be completed by 4-H'ers in the River Valley District.

Community service activities will begin in January 2022. 4-H groups such as local clubs, Ambassadors, Jr. Leaders, etc. will have the opportunity to volunteer for 5H. Monthly activities may include community services such as Valentine's Day cards, May Day baskets, and Christmas ornaments. Once the 4-H youth has completed the com-

munity service, it will be distributed to Meadowlark Hospice.

The River Valley District is excited to welcome Meadowlark Hospice into our 4-H family. We are eager to get started with 5H and to see all the community service our 4-H'ers do in the future.

If you are interested in volunteering with 5H, or have any questions, please contact Macy Hynek, 4-H Youth Development Extension Agent, at 785-527-5084 or <a href="mailto:mhynek@ksu.edu">mhynek@ksu.edu</a>.

#### **National Congress**

The 100<sup>th</sup> National Congress was held during the Thanksgiving weekend in Atlanta Georgia. This is a National 4-H event where more than 800 delegates come from throughout the United States and its territories. This event is a mix of educational, service, and recreational opportunities. The River Valley District was honored that four of our 4-H members took advantage of this opportunity.

**Cole Meyer** – Washington Co member of Happy Workers 4-H Club was the Kansas State Dairy KAP winner for the 2019-2020 which earned him a trip slot.

Key Award winners from 2019-2020 that are interested in attending National Congress are entered into the Standard of Excellence or Centennial drawing. Seven youth are randomly drawn by the State 4-H Office and offered the opportunity to attend. River Valley District was honored to hear that **Maggie Sleichter** from Clay County, **Blake Aurand**, and **Terin Rundus** from Republic County names were drawn.

The delegates listened to Motivational Speakers, attended workshops designed to develop leadership skills, A Service-Learning Experience with hands-on service projects like sorting books for libraries and cleanup up the City of Atlanta Park, and tours/recreational opportunities throughout Atlanta, like the Martin Luther King Center for Non-Violent Change, Atlanta History Center, Georgia Aquarium, and the World of Coco-Cola. They even enjoyed the culture night and ate food from all over the world.

As they headed out to clean up a park on a cold chilly day, the Tennessee 4-H State Program Leader stated, "Today is not about you, your community service project is not for you; it is for the City of Atlanta and the people that live here." The kids saw the need for this growing experience, and it will be something that will always be remembered.

When asked if you would recommend this trip to others, Terin stated

"This trip was truly a once in a lifetime opportunity! 4-H at the county level was always fun for me; I did it with people I had always known and was successful, but 4-H at the National level is a different side of 4-H. The opportunity to travel to Atlanta to be with likeminded, overly involved, driven leaders is an eye-opening experience. The people that I met will forever be some of my best friends."

#### **Hutchinson Community College Winter Classic**

Hutchinson Community College offered a judging contest in Lyons, KS on December 10<sup>th</sup>. Judging contests are a great way for youth to grow as an individual and learn how to evaluate breeding and market animals. Our 4-Her's had the opportunity to judge 10 classes of swine, beef, meat goats, and sheep with 1 class of questions. Congratulations to all the River Valley District participants.

Back Row (Left to Right): Dawson Strunk, Megan Barr, Chesnie Dickinson, Taley Murdock, Elizabeth Wright Front Row (Left to Right): Mark Paillet, Witt Keesecker, Lee Lacy, Seth Lacy, Grace Demars, Noah Demars

#### **Key Award Winners**

What is the Key Award, you might be thinking? It is one of the highest honors awarded to 4-H members across the State of Kansas. The applicant must have met the basic 3 requirements.

- 1. Passed 16th birthday by January 1 of the current year.
- 2. Completed four or more years of 4-H work.
- 3. Enrolled in 4-H Leadership four or more years.

Also, must meet 9 of the 11 other requirements on the application. These need to highlight 4-H related events, activities and achievements accomplished within the 4-H club, county/district, region, or state.

Like all member achievement pins, a member should look over the key application early so you know what you need to achieve. They can be found on our River Valley District website at <a href="https://www.rivervalley.k-state.edu/4-h/awards.html">https://www.rivervalley.k-state.edu/4-h/awards.html</a>

Congratulations goes out to these 4-H members that received their Key Award during the Achievement Day Celebrations held in November.
