Stay happy, healthy and active between visits to the doctor
JOIN US FOR THE CHRONIC DISEASE SELF-MANAGEMENT PROGRAM
FREE, SIX WEEK PROGRAM BEGINS THURSDAY, MARCH 14
10AM-12PM
REPUBLIC COUNTY HOSPITAL BELLEVILLE

ARTHRITIS, HEART DISEASE, DIABETES
And many others. Millions of adults live with one or more chronic health conditions. This program helps people and their caregivers manage their symptoms, improve quality of life, and reduce healthcare costs. It is hoped that each person will leave the program with new ideas and a commitment to try a new tool to manage their long-term condition.

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services, and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities including alternative formats of communication (e.g., braille, large print, audiotapes, and American Sign Language) may be requested by contacting K-State Research and Extension at 785-532-6050. Accommodation requests made with sufficient notice will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information, will be provided free of charge to limited English proficient individuals upon request.
Landscape Design Workshop

Does your landscape need a refresh? Are you wanting to start from scratch? Join Kelsey Hatesohl - Horticulture Agent to learn how to make your landscape stand out this spring.

Please RSVP to the Washington Extension Office to reserve your spot by March 8th. Free to participate.
Questions? Contact Kelsey Hatesohl, 785-325-2121 or khatesohl@ksu.edu

Topics Include:
- Basics of Landscape Design
- Choosing the right plants
- Landscaping for all seasons
- Hands on workshop, designing your own landscape plan

Fridays -
March 15th and 22nd
Noon Hour
(12:10-12:50 pm)

FNB Washington
Basement Meeting Room
101 C Street
Washington, KS 66968

SAFE TRACTOR & MACHINERY OPERATION TRAINING

The National Safe Tractor and Machinery Operation Program (NSTMOP) is designed for 14- and 15-year-olds seeking employment in production agriculture. Core content areas include:
- Safety basics
- Agricultural hazards
- Tractors
- Connecting and using implements
- Materials handling
Students are certified after successfully passing a 50-question test at the training and doing both an operating skills test and a driving test administered by the employer.
