Tractor Safety Course 2022

BY: National Safe Tractor and Machinery Operation Program

River Valley Extension District, Post Rock District, Central Kansas District, Midway District, Cottonwood District

will be conducting the Hazardous Occupations Training/tractor and machinery safety training. The Training provides trainees with knowledge of tractor, machinery, and other farm hazards to reduce the farm accident rate. It also provides sufficient information to pass a written examination and an opportunity to demonstrate their ability to pass a safe tractor driving examination. Participants must be 14 or older to receive certification, though 12 and 13 year olds may take the course for education purposes only.

Federal Law requires youth to participate in a Hazardous Occupations Training and become certified in order to work for hire for anyone other than their parents.

Sign up go to- https://kstate.qualtrics.com/jfe/form/SV_bxss9WKVdp4AWqy

Fee for the course is $15 which covers materials and handouts for in-person trainings. Lunch and refreshments will be provided. Pay at your local Extension Office or the day of the course. Please pick up book at your local Extension Office PRIOR to the course.
