Understanding Hospice and Advanced Directives

Do you have questions about advance directives or what hospice care provides?

Discover answers to your questions at this presentation about hospice care ranging from how it works, how it's paid for, and how you get started. It will provide an understanding of how hospice can ease the burden when a patient is faced with the decision of how to spend their last moments.

The presentation will also discuss advanced directives and the importance of having this critical conversation with your loved ones. Tools will be provided to help navigate those conversations. Advanced directives can help ease the burden your loved ones face when they must make decisions for you. They will be confident they are following your wishes and not left trying to determine what your wishes are.

When: Monday, April 11, 2022

Time: 6:00 p.m.

Where: River Valley Extension District
Clay Center Office
322 Grant Avenue
Clay Center, KS 67432

Presented by Meadowlark Hospice Director, Amy Burr. Sponsored by K-State Research and Extension-River Valley District and Meadowlark Hospice. There is no cost to attend. Event will be held in person and a zoom option will be available. Please RSVP to the River Valley Extension District – Clay Center Office by calling 785-632-5335.
