**2019 - Apparel Information**

**Short Sleeve T-shirts: Heather Orange & Heather Navy \$9.25 / SM-5X**

The Heather shirts are a softer, lighter weight shirt and you may want to consider going up in size as the shirt is cut just slightly smaller (mainly in the arm) and since the shirt is softer, it drapes differently. Unisex sizing. 100% cotton.

Short Sleeve-T  
Heather Orange or  
Heather Navy
